After completing the remittance, attach the photograph of the remittance completion screen and the transaction ID to this mail and reply.  
After confirming remittance, we will send a purchase completion email from here.  
It takes about 5 to 10 days to be able to confirm remittance.  
If remittance can not be made within one hour or there is a mistake in the application content,  
Please register again from the application form.

We appreciate your continued support from TOUREXCOIN.

-----  
I will automatically reply to this email from the TOUREXCOIN-ICO site when I accept the application.
